## Jesus Teaches Us How To Fulfill The

## Great Commission

*"Go therefore and make **DISCIPLES** of all the **NATIONS**, baptizing them in the name of the Father and the Son and the Holy Spirit, teaching them to observe all that I commanded you; and lo, I am with you always even to the end of the age." -Matthew 28:19-20*

Take note of the words "DISCIPLES" and "NATIONS" because these words give us a better understanding of what Jesus had in mind when he gave the great commission to his disciples.

Jesus' death paid the price for our sins, but his **LIFE** shows us how to live.

His life taught us love, compassion, faith, and gave us a glimpse into the very mind of God. But most importantly, Jesus taught us how to disciple others.

Our mission is to put into practice the techniques that Jesus used when creating disciples.

Jesus did not spend most of his time preaching to large crowds. He spent the majority of his time teaching, mentoring, and setting an example for his 12 disciples.

That is what W.M.E. is trying to do. We have chosen several Honduran men that we are teaching, training, and mentoring to go out and bring the good news to the men and women in Honduras. Our goal is not to create an American-style church in Honduras, but to teach Hondurans the Bible and allow them to grow and teach others in their own culture.

Adiel and Jacobo are two of our Honduran disciples who are going out into Honduras and share the gospel of Jesus Christ. When Adiel and Jacobo go to villages, they usually stay in homes and eat whatever they are given. They go out into villages and stay in the villagers' homes, then move on to another area, then another.

These men endure great hardship in order to take the gospel to their people.

They sleep wherever they can find room.

They endure thieves and murderers on the road.

They cross swollen creeks and rivers to get to their destination.

They travel on muddy, slippery roads during the rainy season and are often soaked when traveling to villages.

They endure motorcycle wrecks, breakdowns, and sleep in

flea ridden beds because most villagers have fleas in their homes.

Their sacrifice is way more than what we can adequately describe. They do this day after day, week after week, month after month... All this for **\$265 a month** to support themselves and the families they must leave at home.

They understand the dangers that accompany this task, but if necessary they are willing to lay their lives down for the gospel. They know that they have been charged with the task of **DISCIPLING** their **NATION!**

If you would be interested in supporting one of our Honduran disciples partially or in whole for a month or more, please contact us at (270) 527-9445.

*"And if anyone gives even a cup of cold water to one of these little ones because he is my disciple, I tell you the truth, he will certainly not lose his reward."*
